# E85

Don Toliver

Álbum: Octane - 2026

---

I love, I lo–)
(I've been tryin', tryin', tryin', tryin')
(I've been cryin', cryin', cry–)

On the highway and I'm thinkin' that I love her (love her)
On the highway and I'm thinkin' there ain't no rubber (rubber)
On the highway with my significant lover (I love)
(I've been tryin', tryin', tryin', tryin')
High octane, more fuel for your consumption, nigga
More 'tane for the vein, nigga (I've been cryin', cryin', cry–)
It's lit, yeah

On the highway and I'm thinkin' that I love her (love her)
On the highway and I'm thinkin' there ain't no rubber (rubber)
On the highway with my significant lover (it go)
(It go, it go)
You been runnin' the summer, you got a brand-new Hummer
We laugh all day like Dumber and Dumber
I'm 'bout to shoot my shot, she lovin' my jumper
My favorite outfit is her see-through romper

Don't worry, I got you, I promise I won't hurt her
She talk like a snappin' turtle, she squirt like that shit fertile
Got drink in my cup, on Kirko, she move that ass in circles
Not sippin' on green, it's purple, we said that shit never hurt, though
I just hope you down for me (I've been tryin', tryin')
'Cause this shit what it supposed to be (I love)

On the highway and I'm thinkin' that I love her (love her)
On the highway and I'm thinkin' there ain't no rubber (rubber)
On the highway with my significant lover (it go)
(It go, it go)
You been runnin' the summer, you got a brand-new Hummer
We laugh all day like Dumber and Dumber

I'm 'bout to shoot my shot, she lovin' my jumper
My favorite outfit is her see-through romper (I love, I lo–)

I've been tryin', tryin', tryin', tryin'
I've been cryin', cryin', cry–
