Rendezvous

Don Toliver

Álbum: Octane - 2026

[Refrain: Yeat]
'Kay, I walked in, gun off safety
When she see Yeat, she say, "Save me" (How?)
Lil' mama in the club gettin' crazy (Huh)
And she always wet, I call her wavy

[Chorus: Yeat]
Diamonds on my head, diamonds on my shoes (Shoes)
I don't want your friend, girl, I wanted you (You, ooh, ooh)
I don't play pretend, bitch, we really through (Yeah, yeah)
Fuckin' on this bitch and I got her screwed (Woah, woo, woo)
Got this bitch sick like she got the flu, oh
I'ma fuck this bitch, I fuck her off the shrooms (Yeah), woah
Yeah, I might be greedy 'cause I wanted two (Oy)
We don't need to say it, we just read the room, oh

[Post-Chorus: Don Toliver]
Diamonds on my head, diamonds on my shoe
Take you back to school, baby, what it do? Ooh
Everything cool, everything cool (Ah)
I just wanna move if you down to move
Show me what it do, baby, what it do?
Diamonds on my head, diamonds on my shoe
Everything cool at the rendezvous

[Bridge: Don Toliver]
